Testimonials

"Thank you again for a terrific 3 days ... I am extremely satisfied with the results. I continue to hear from the participants that this forum was the best they ever attended.."

—Mary Ann Wyman, ARAMARK Healthcare

"The presentation you delivered, as the keynote speaker, was absolutely flawless ... You clearly possess the passion to help women discover their untapped potential and the compassion to help women define it."

—Melissa A. Chavis, Women's Council of Greater Baton Rouge

"Rarely does a speaker make such an effort to understand who we are and what we do. You nailed our challenges."

—Janet Forbes Reeder, Credit Union Internal Auditors Association

"My management team is still talking about ... the program you delivered. Your charisma and content left everyone with greater professionalism, presence, and the ability to persuade. To me, that all translates into greater competitive success for GSK. Many thanks again."

—Senior Vice President, GlaxoSmithKline

"The session not only met, but exceeded our expectations—I received only positive feedback from our entire team."
