

# Brian Klemmer

*Whether your challenge is in character development or group dynamics, Brian provides the mastery needed to succeed*

## Testimonials

*"Your message was right on track with our company's goals and philosophy, and you presented in such a way as to reach everyone in the audience. Your ability to speak our language by incorporating lingo and key phrases that are part of our daily business activities, made it seem as if you were an employee of Mobile Mini."*

—Steve Bunger, President, Mobile Mini, Inc.

*"Other speakers give insights whereas Brian offers hands-on experience. Brian is simply the best."*

—Mitch Huhem, President, Millionaires in Training

As Chairman of the Professional Speakers Association of the Middle East and Past President of the same association in the UK, I've had the pleasure of seeing hundreds of speakers ... It takes a very special speaker who can deliver content that has deep substance, which is life-changing, easy to understand, practical, fun to experience and presented with complete conviction and passion. Brian achieved all these things for me when presenting in Dubai recently ... please do not hesitate in booking him f... one of his principles WILL transform your life and business within 24 hours!"

—Reg Athwal, Chair, OneTVO.com and Founder, RAW Group

*"Brian Klemmer is an extraordinary speaker whose philosophy and exercises ...create significant results. Both personally and professionally."*

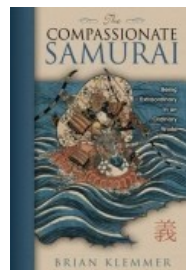

—John Gray, Best-Selling Author of Men are from Mars, Women are from Venus

Brian Klemmer is an international consultant and speaker whose seminars have been attended by tens of thousands of participants throughout the world. He is truly an entertaining and effective speaker, but what sets him apart from many others is that he is also an outstanding facilitator and master of group dynamics. A West Point graduate and a member for over 14 years of National Speakers Association, Brian is committed to using his experience, know-how, and skill in motivating people to strengthen corporations and increasing their bottom line by focusing on and building their core belief systems.

An internationally recognized consultant and trainer, Brian knows how to develop character and leadership skills. Beyond motivating an audiences, his interactive presentation and gift for getting people to see themselves and their businesses in new ways, are the secrets to Brian's effectiveness. His insights have helped clients around the world, including ITT Sheraton, Hewlett Packard, American Suzuki Motor Corporation, and a myriad of sales organizations.

All of Brian's programs are targeted messages, customized for each audience. Beyond workshops that focus on Brian's formulas for success, integrity, and the development of leaders, his most popular keynotes include:

- ◆ **Rebounding From Reality**—In this session, the audience will learn how to dramatically increase the capacity to focus on solutions instead of problems, cut procrastination in half, shrink resistance and confusion within any organization, while maintaining an ironclad focus on service and priorities.
- ◆ **If How To's Were Enough We Would All be Skinny, Rich, and Happy**—Brian's insights will distinguish the difference between good performers and top income earners; in addition, you will discover the keys to increased prospecting and bottom-line productivity.
- ◆ **Good Intentions Have Run Smack into Reality. Now What?**—Attendees will discover how to maintain morale despite negative circumstances, how to turn conflict into cooperation, and most importantly, develop the unity needed to ensure peak performance in any team.

Brian is also the best-selling author of four books, including *If How To's Were Enough*, *We'd All be Skinny, Rich, and Happy*, *When Good Intentions Run Smack into Reality*, and *Eating the Elephant One Bite at a Time*. In his most recent book, *The Compassionate Samurai*, Brian discusses the ten traits of a samurai which help professionals achieve success in our dog-eat-dog world while

maintaining the highest ethical standards—it was recently named a #1 business book in the *Wall Street Journal*, and topped the book list in *Business Week* magazine.
